Dear Valued Customer,

Please be advised that due to market conditions beyond our control Securall Products must implement a temporary Steel/Materials Surcharge of 11% to all our prices effective May 1st, 2021.

These surcharges will be kept to the lowest possible level and we will review these on a monthly basis with the aim to reduce and remove these additional charges as soon as market conditions allow.

Thank you, Valued Customer, for working with us as we continue to strive to provide the industry's premier safety storage equipment. Please do not hesitate to contact me with any questions or concerns.

Best Regards,

William Bolton
Sales Manager, Securall Products
